We have audited the accompanying financial statements of ALIVE!, Inc. (the Organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses (pages 16-17) are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

1. Organization

ALIVE!, Inc. (ALexandrians InVolved Ecumenically, referred to as the Organization) is a nonprofit organization that was incorporated in 1969 under the laws of the Commonwealth of Virginia to help people faced with emergency situations or long-term needs become capable of assuming self-reliant roles in the community. The Organization serves thousands of Alexandrians monthly with shelter; low-cost early childhood education and childcare; financial help for rent, utilities, medical care and other critical needs; emergency food; and deliveries of donated furniture and housewares.

2. Summary of significant accounting policies

Basis of presentation

The Organization's financial statements are presented in accordance with generally accepted accounting principles for nonprofit organizations. Under those principles, the Organization is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted Net Assets represent resources that are not subject to donor imposed stipulations and are available for operations at management's discretion.

Temporarily Restricted Net Assets represent resources restricted by donors as to purpose or by the passage of time.

Permanently Restricted Net Assets represent resources whose use by the Organization is limited by donor imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by action of the Organization. Income from the assets held is available for either general operations or specific purposes, in accordance with donor stipulations.

The Organization had no permanently restricted net assets at June 30, 2017 and 2016.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Basis of accounting

The Organization's financial statements are prepared on the accrual basis of accounting. Accordingly, revenues are recognized when earned and expenses when obligations are incurred.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses and their functional allocation during the reporting period. Actual results could differ from those estimates.

Fair value measurements

The Organization reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs used to measure fair value are categorized as follows:

- Level 1 quoted prices in active markets for identical assets or liabilities.
- Level 2 inputs, other than quoted prices, that are observable for the asset or liability either directly or indirectly, including inputs from markets that are not considered to be active.
- Level 3 unobservable inputs which are typically based on the Organization's own assumptions, as there is little, if any, related market activity.

In determining the appropriate levels, the Organization performs a detailed analysis of the assets and liabilities that are subject to the standard. At each reporting period, all assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3. There were no Level 3 inputs for any assets or liabilities held by the Organization at June 30, 2017 and 2016.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Income taxes

The Organization is exempt from federal and local income taxes under Section 501(c)(3) of the Internal Revenue Code on income derived from activities related to its exempt purpose. This code section enables the Organization to accept donations that qualify as charitable contributions to the donor. The Organization is subject to income taxes on taxable income from unrelated business activities. For the years ended June 30, 2017 and 2016, the Organization did not recognize income tax expense in the accompanying financial statements as there was no unrelated business taxable income.

The Organization is not aware of any activities that would jeopardize its tax-exempt status that would require recognition in the accompanying financial statements. Generally, tax returns are subject to examination by taxing authorities for up to three years from the date a completed return is filed. If material omissions of income exist, tax returns may be subject to examination for up to six years. It is the Organization's policy to recognize interest and/or penalties related to uncertain tax positions, if any, in the accompanying financial statements. As of June 30, 2017 and 2016, the Organization had no uncertain tax positions which should be recognized as a liability.

Accounts receivable, net

Accounts receivable are due in less than one year and stated at their net realizable value. Reserves are established for receivables that are delinquent and considered uncollectible based on periodic reviews by management. At June 30, 2017, the allowance for doubtful accounts totaled \$21,681. At June 30, 2016, there was no such allowance for doubtful accounts as management believed that all receivables were fully collectible.

Contributions receivable

Contributions receivable are unconditional promises to give that are recognized as contributions when the promise is received. All contributions receivable are expected to be collected in less than one year and are reported at their net realizable value. Reserves are established for receivables that are delinquent and considered uncollectible based on periodic reviews by management. Management estimates that all receivables are fully collectible; therefore, no allowance for doubtful contributions receivable has been recognized.

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2017 AND 2016

Inventory

Inventory is comprised of donated food and is valued using an estimated market valuation rate.

Investments

Investments are reported at fair value and realized and unrealized gains and losses are reported in

the statements of activities as increases or decreases in unrestricted net assets, unless the income is

restricted temporarily by donor restrictions. The Organization purchases investment instruments that are

exposed to risks, such as fluctuations in market value and credit risk. It is reasonably possible that changes

in risks in the near term could materially affect investment balances and amounts reported in the

accompanying financial statements. Included in the definition of investments are high interest bearing

deposit accounts (i.e., money market accounts).

Donated securities are recorded at their fair value on the date of the donation.

Property and equipment, net

Property and equipment that was purchased is recorded in the financial statements at cost, net of

accumulated depreciation. Property and equipment that was donated is recorded at fair value at the date of

donation, net of accumulated depreciation. Depreciation expense is computed using the straight-line

method over the estimated useful lives of the assets as follows:

Building

40 years

Furniture and equipment

3 -15 years

Vehicles

5 years

The Organization's Property and Equipment Policy is to capitalize: 1) purchased property and

equipment with costs greater than \$500 and estimated useful lives greater than one year, and 2) donated

property and equipment with estimated values greater than \$500 and estimated useful lives greater than

one year. Repairs and maintenance that do not significantly add to the value of assets are expensed as

incurred.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Revenue recognition

Grants and contributions

Contributions are recognized as revenue when received or promised and are recorded net of any current year allowance or discount. The Organization reports gifts of cash and other assets as temporarily restricted support if they are received or promised with donor stipulations that limit the use of the donated assets to the Organization's programs or to a future year. When a donor restriction expires, that is, when a purpose restriction is accomplished or time restriction has elapsed, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying statements of activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as unrestricted if the restriction expires in the same reporting period in which the contribution is recognized.

Government reimbursements

The Organization receives government monies to reimburse the Organization for tuition and food costs for children of some families enrolled in its Child Development Center and to subsidize the rent of some families living at ALIVE! House. Government reimbursements are recorded as revenue in the same period that goods and services are provided.

Program service fees

Program service fees are recognized as revenue in the period in which services are provided. Fees received relating to future periods are recorded as deferred revenue in the accompanying statements of financial position.

In-kind contributions

The fair value of donated materials, services, and facilities space are recorded as revenue and expense in the period they are donated. The fair value of donated property and equipment is also recorded as revenue and expense in the period they are donated, unless capitalized pursuant to the Organization's capitalization policies (see Note 2, Summary of Significant Accounting Policies, Property and equipment, net, page 10).

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Contributions of services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The value of such services is recorded based on the estimated fair value of services provided and is classified as in-kind contributions revenue and expense charged to programs and supporting services based on the program or support services directly benefited. The Organization received \$29,460 of in-kind contributions of services for the year ended June 30, 2017. For the year ended June 30, 2016, the Organization received no in-kind contributions of services.

The Organization received in-kind contributions of materials and facilities valued at \$1,204,310 and \$1,073,829 for the years ended June 30, 2017 and 2016, respectively. Such amounts are classified as in-kind contribution revenue and expense and are allocated to the various programs and supporting services based on the program or support services directly benefited.

Special fundraising events

Special fundraising events revenue consists of revenue from various fundraisers held throughout the year. Revenue from such events is recognized when the event takes place. Funds received relating to future periods is recorded as deferred revenue in the accompanying financial statements.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among programs and supporting services benefited.

At June 30, 2017 and 2016, \$5,510 and \$5,992, respectively, belonged to the Organization and is used for assistance of residents living expenses and maintenance of the account. All other funds in the account belong to residents and are reported as a liability on the accompanying statements of financial position.

6. Retirement plan

The Organization provides a retirement plan for its employees through a Section 403(b) defined contribution plan. The plan covers all eligible employees upon completion of one year of service. The Organization contributes an amount equal to 2% of salaries for those employees with one to five years of service and 5% thereafter for each eligible employee. Retirement plan contributions for the years ended June 30, 2017 and 2016 were \$15,215 and \$14,712, respectively.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

7. Temporarily restricted net assets

During the years ended June 30, 2017 there were no releases of temporarily restricted net assets. During the year ended June 30, 2016, temporarily restricted net assets of \$36,350 were released from donor restrictions by incurring expenses satisfying the Family Emergency purpose restriction.

At June 30, 2017, temporarily restricted net assets totaling \$3,424 were available for the Child Development Center for fiscal year 2018. At June 30, 2016, there were no temporarily restricted net assets.

8. Subsequent events

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through December 8, 2017, which is the date the financial statements were available to be issued. There were no subsequent events that are required to be recognized, or disclosed, in these financial statements.
